this week

Go Tongariro is a business group that is membership based, with any business people in the Turangi/ Tongariro area eligible to join as members. It is very similar to the successful model adapted by Towncentre Taupo. The executive committee of Go Tongariro developed a business plan to include retail promotions, working with Taupo District Council on the physical revitalisation project for Turangi, delivery after 5, supporting delivery of events in Turangi, a member newsletter and database. **Christine Dally** has been appointed in the role of a Co-ordinator to undertake this work. She is well supported by the teams at Destination Great Lake Taupo, Enterprise Great Lake Taupo, Erupt Events and Taupo District Council. The Executive committee meet monthly and will direct the Co-ordinator to undertake the duties mentioned above

PRESIDENT'S REPORT

Last Thursdays meeting was Board meeting night. We were low in numbers and had a Pizza night. I gave the order and after they delivered found that we are very small eaters. There was so much left over food, the good thing is there is no mess, no dishes and plenty for members to take home.

I then invited the members to sit in the Board meeting, with speaking rights, but not voting rights. I had the agenda on my iPad but could not bring it up. I tried to run the meeting by jumping from item to item, very unprofessional. The girls pulled me up and Mary read out the agenda. That would not happen if RoseMary was here.

Most business was done with some being passed on. Sandy got the BBQ for the sale yards organised. We went out on the Saturday, as usual a good day out.

Next week it is back to normal, the speaker is Christine Dally.

Yours in Rotary

Chris
